## **DUI Rehabilitation of Offenders Program (D.R.O.P.)**

If you have been charged with Driving Under the Influence, you may be eligible for the DUI Rehabilitation of Offenders Program. **You need to apply for this program at or before your case's second pretrial hearing.** To be eligible for this program, you will be required to perform three conditions in the time frame stated in the D.R.O.P. contract. Those three conditions are as follows:

- 1. Successful performance of 20 community service hours**
- 2. Successful completion of the DUI School**
- 3. Successful completion of the M.A.D.D. Victim Impact Panel**

Like PTI applications, there is a nonrefundable \$50 application fee. The 20 community service hours must be with providers on the attached approved list. Since there are many different Victim Impact Panels available, we require the Victim Impact Panel offered by M.A.D.D. since it is specific to DUI offenses. If you successfully complete the pre-conditions of our program within the specified time frame, the State will amend the charge to Reckless Driving, pursuant to Fl. Stat. 316.192, for your criminal case with the following recommended disposition:

- 1. State's offer, subject to the Court's approval or modification, will include that adjudication be withheld on Tier 1 offenses; adjudicated guilty on Tier 2 offenses;**
- 2. Probation, subject to the Court's approval or modification, with conditions based on the Tier Level assigned.**

**This plea resolution must be entered prior to the filing of any defense motions or demand for speedy trial and prior to any depositions. Failure by a Defendant/Defense Counsel to abide by these rules will result in disqualification from this program.**

For Tier 1, upon successful completion of probation and a withhold of adjudication, you will not receive any points against your license. However, if you fail to successfully complete probation, you could be adjudicated guilty of a probation violation, which carries a penalty of up to 90 days in jail and up to a \$500 fine.
